RAGNIFY Official Internship Program Handbook (2026)

Security Classification: INTERN_ONLY | Authorized Roles: INTERN,MANAGER,HR,ADMIN

RAGNIFY Official Internship Handbook 2026 — Section 1: Internship Tenure, Stipend & Payout Rules.

• Standard Internship Tenure: 3 Months (92 Calendar Days).

• Monthly Stipend: ■30,000 to ■35,000 per month depending on engineering track (Frontend/Backend/AI Research), credited via Direct Bank Transfer on the last working day of each month.

• Daily Working Hours & Time Clock: Interns are expected to log 8.5 hours per working day using the real-time Attendance Time Clock ('Start Work' and 'Pause / End Work'). Multiple work sessions on the same calendar date automatically accumulate into a single audited daily row.

• Intern Leave Policy: Interns are entitled to 1 Paid Casual Leave per month (3 paid leaves across the 92-day tenure). Any additional leave requires prior approval from the assigned Engineering Mentor.

RAGNIFY Official Internship Handbook 2026 — Section 2: Certificate of Completion & Pre-Placement Offer (PPO).

• 3-Stage Certificate Governance Lifecycle:

1. LOCKED (Tenure In-Progress): While the intern is completing the 92-day tenure and assigned sprint deliverables.
2. UPCOMING (Ready for HR Sign-Off): Triggered when tenure reaches ≥75%–100% completion and final deliverables are reviewed.
3. AVAILABLE (Issued & Unlocked): Once HR Operations (Priya Sharma) and the Engineering Mentor approve clearance, the cryptographically verified Royal Navy & Gold PDF Certificate is unlocked in the Intern Portal.

• Full-Time Conversion (PPO Eligibility): Interns who maintain ≥90% task completion velocity and receive an 'Optimal' or 'Exceeds Expectations' workload evaluation from their Engineering Manager are eligible for a Pre-Placement Offer (PPO) at Level L1 (■12,00,000 – ■16,00,000 LPA).

RAGNIFY Official Internship Handbook 2026 — Section 3: Data Access Boundaries for Interns.

• Security Scope: Intern accounts are restricted to Intern Program Guidelines, Engineering Coding Standards, and their own personal profile, tasks, and attendance records.

• Restricted Data: Interns do NOT have access to the Company RAG Vault, Full-Time Employee Benefit Handbooks, Internal Corporate Financials, Manager Appraisal Playbooks, HR Compensation Grids, or other employees' private records.
